

The MSAU's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources including aerial photography, GIS data, and other available information. As a result, some information may not be completely up to date. The data provided on this map includes state roads and important non-system roads. For more information, please visit our website at <http://www.ncdot.gov/transportation/mau/mapping/mau.asp> and click on Data Providers or contact us at (813) 935-8480.
