

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from a variety of sources including aerial photography, ground surveys, and other data. While every effort is made to ensure the accuracy and completeness of the information shown on this map, the user should be aware that the information is not a substitute for a field survey. The information shown on this map was last updated in July 2022. For additional information, visit <http://www.ncdot.gov/Information/MapData> and click on Data Providers or contact us by phone at (919) 835-8480.
