

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources including aerial photography, ground surveys, and other available data. The accuracy of the information is dependent on the quality of the data provided. The map includes information that is not shown on the ground. The information shown on this map was last updated in July 2022. For additional information, visit <http://www.ncdot.gov/Information/Mapping> and click on Data Providers or contact us by phone at (919) 835-8480.
