

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources including aerial photography, ground surveys, and other data. The accuracy of the information is dependent on the accuracy of the source data. The information is provided as a service and is not intended to be used for any purpose other than that for which it was provided. For additional information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Provider or contact us by phone at (919) 835-8480.
