

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources including aerial photography, ground surveys, and other reliable sources. As a result, the accuracy of the information shown on this map may vary slightly from the actual conditions on the ground. The information shown on this map was last updated in July 2022. For additional information, visit <http://www.ncdot.gov/Information/MapData/MSAU-Mapping-Section> and click on Data Providers or contact us by phone at (919) 835-8480.
