

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources including aerial photography, ground surveys, and other data. The map includes roads, water features, and other important non-system marks. This map was last updated in September 2023. For additional information, visit <http://www.ncdot.gov/transportation/mau-mapping-section> and click on Data Providers or contact us by phone at (919) 855-8480.
