

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources and is not guaranteed to be 100% accurate. The accuracy of the data is dependent on the accuracy of the data provided to us. This map includes unadopted roads and important non-system roads. Please use the information on this map as a guide only. For additional information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Providers or contact us by phone at (919) 835-8480.
