A black and white map of the state of North Carolina. The county boundaries are delineated by thin black lines. One county, Robeson, is highlighted with a thick black border. The map shows the coastal plain in the east and the piedmont and mountain regions in the west.

Map of Oregon showing the distribution of three species across the state. The state is divided into several regions, each containing a box with a '3 OF 3' label. The regions are: 1 OF 3 (NW corner), 2 OF 3 (central), 3 OF 3 (NE corner), and 1 OF 3 (SW corner). The state boundary is shown as a jagged line.
