

The MS&U's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources including aerial photography, ground surveys, and other data. As a result, there may be minor discrepancies between the map and the actual terrain. The map is not intended to be used for legal purposes. The map was last updated on June 2014. For additional information, visit <http://www.ncdot.gov/transportation> and click on Data Providers or contact us at (819) 835-8480.
