

The MS&U's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources including aerial photography, ground surveys, and other data. As a result, roads and other features may not be shown in the exact location or at the exact scale as they appear in reality. The MS&U is not responsible for any errors or omissions in this map. For additional information, visit <http://www.ncdot.gov/transportation/mapping>, and click on Data Providers or contact us at (919) 855-8480.
