

The NCAS's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying degrees of publication and map accuracy standards. As a result, the information shown on this map is not necessarily the same as the information provided by the state-maintained roads and important non-system roads. The information shown on this map was last updated on June, 2015. For additional information, visit <http://www.ncdot.gov/arcgisatlas/ncdot.aspx> and click on Data Providers or contact us at (919) 855-5460.
