

The MS&UT's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources including aerial photography, ground surveys, and other data. As a result, roads and important non-system roads. The MS&UT's data was last updated on June 2014. For additional information, visit <http://www.ncdot.gov/transportation/mapping>, and click on Data Providers or contact us at (819) 535-8480.
