

The MS&U's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources, varying in the timeliness of the data provided. As a result, roads and other features may not always reflect the most current information. Map data is not intended for use in navigation or for any other purpose where accuracy is critical. For additional information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Providers or contact us at (919) 835-9480.
