

The MS&T's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources including aerial photography, ground surveys, and other data. As a result, some information may be outdated or incomplete. The data is updated on a regular basis. For additional information, visit <http://www.ncdot.gov/transportation/MS&T> and click on Data Providers or contact us at (919) 855-8480.
