

The MS&U's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources including aerial photography, ground surveys, and other data. As a result, some features may not be shown or may be shown in a different location than they appear in reality. The MS&U is not responsible for any errors or omissions. For additional information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Providers or contact us at (810) 935-6400.
