The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates of publication and map accuracy standards. As a result, the accuracy of the information shown on the map may not match the data provided on the map. This map includes state-maintained roads and important non-system roads.

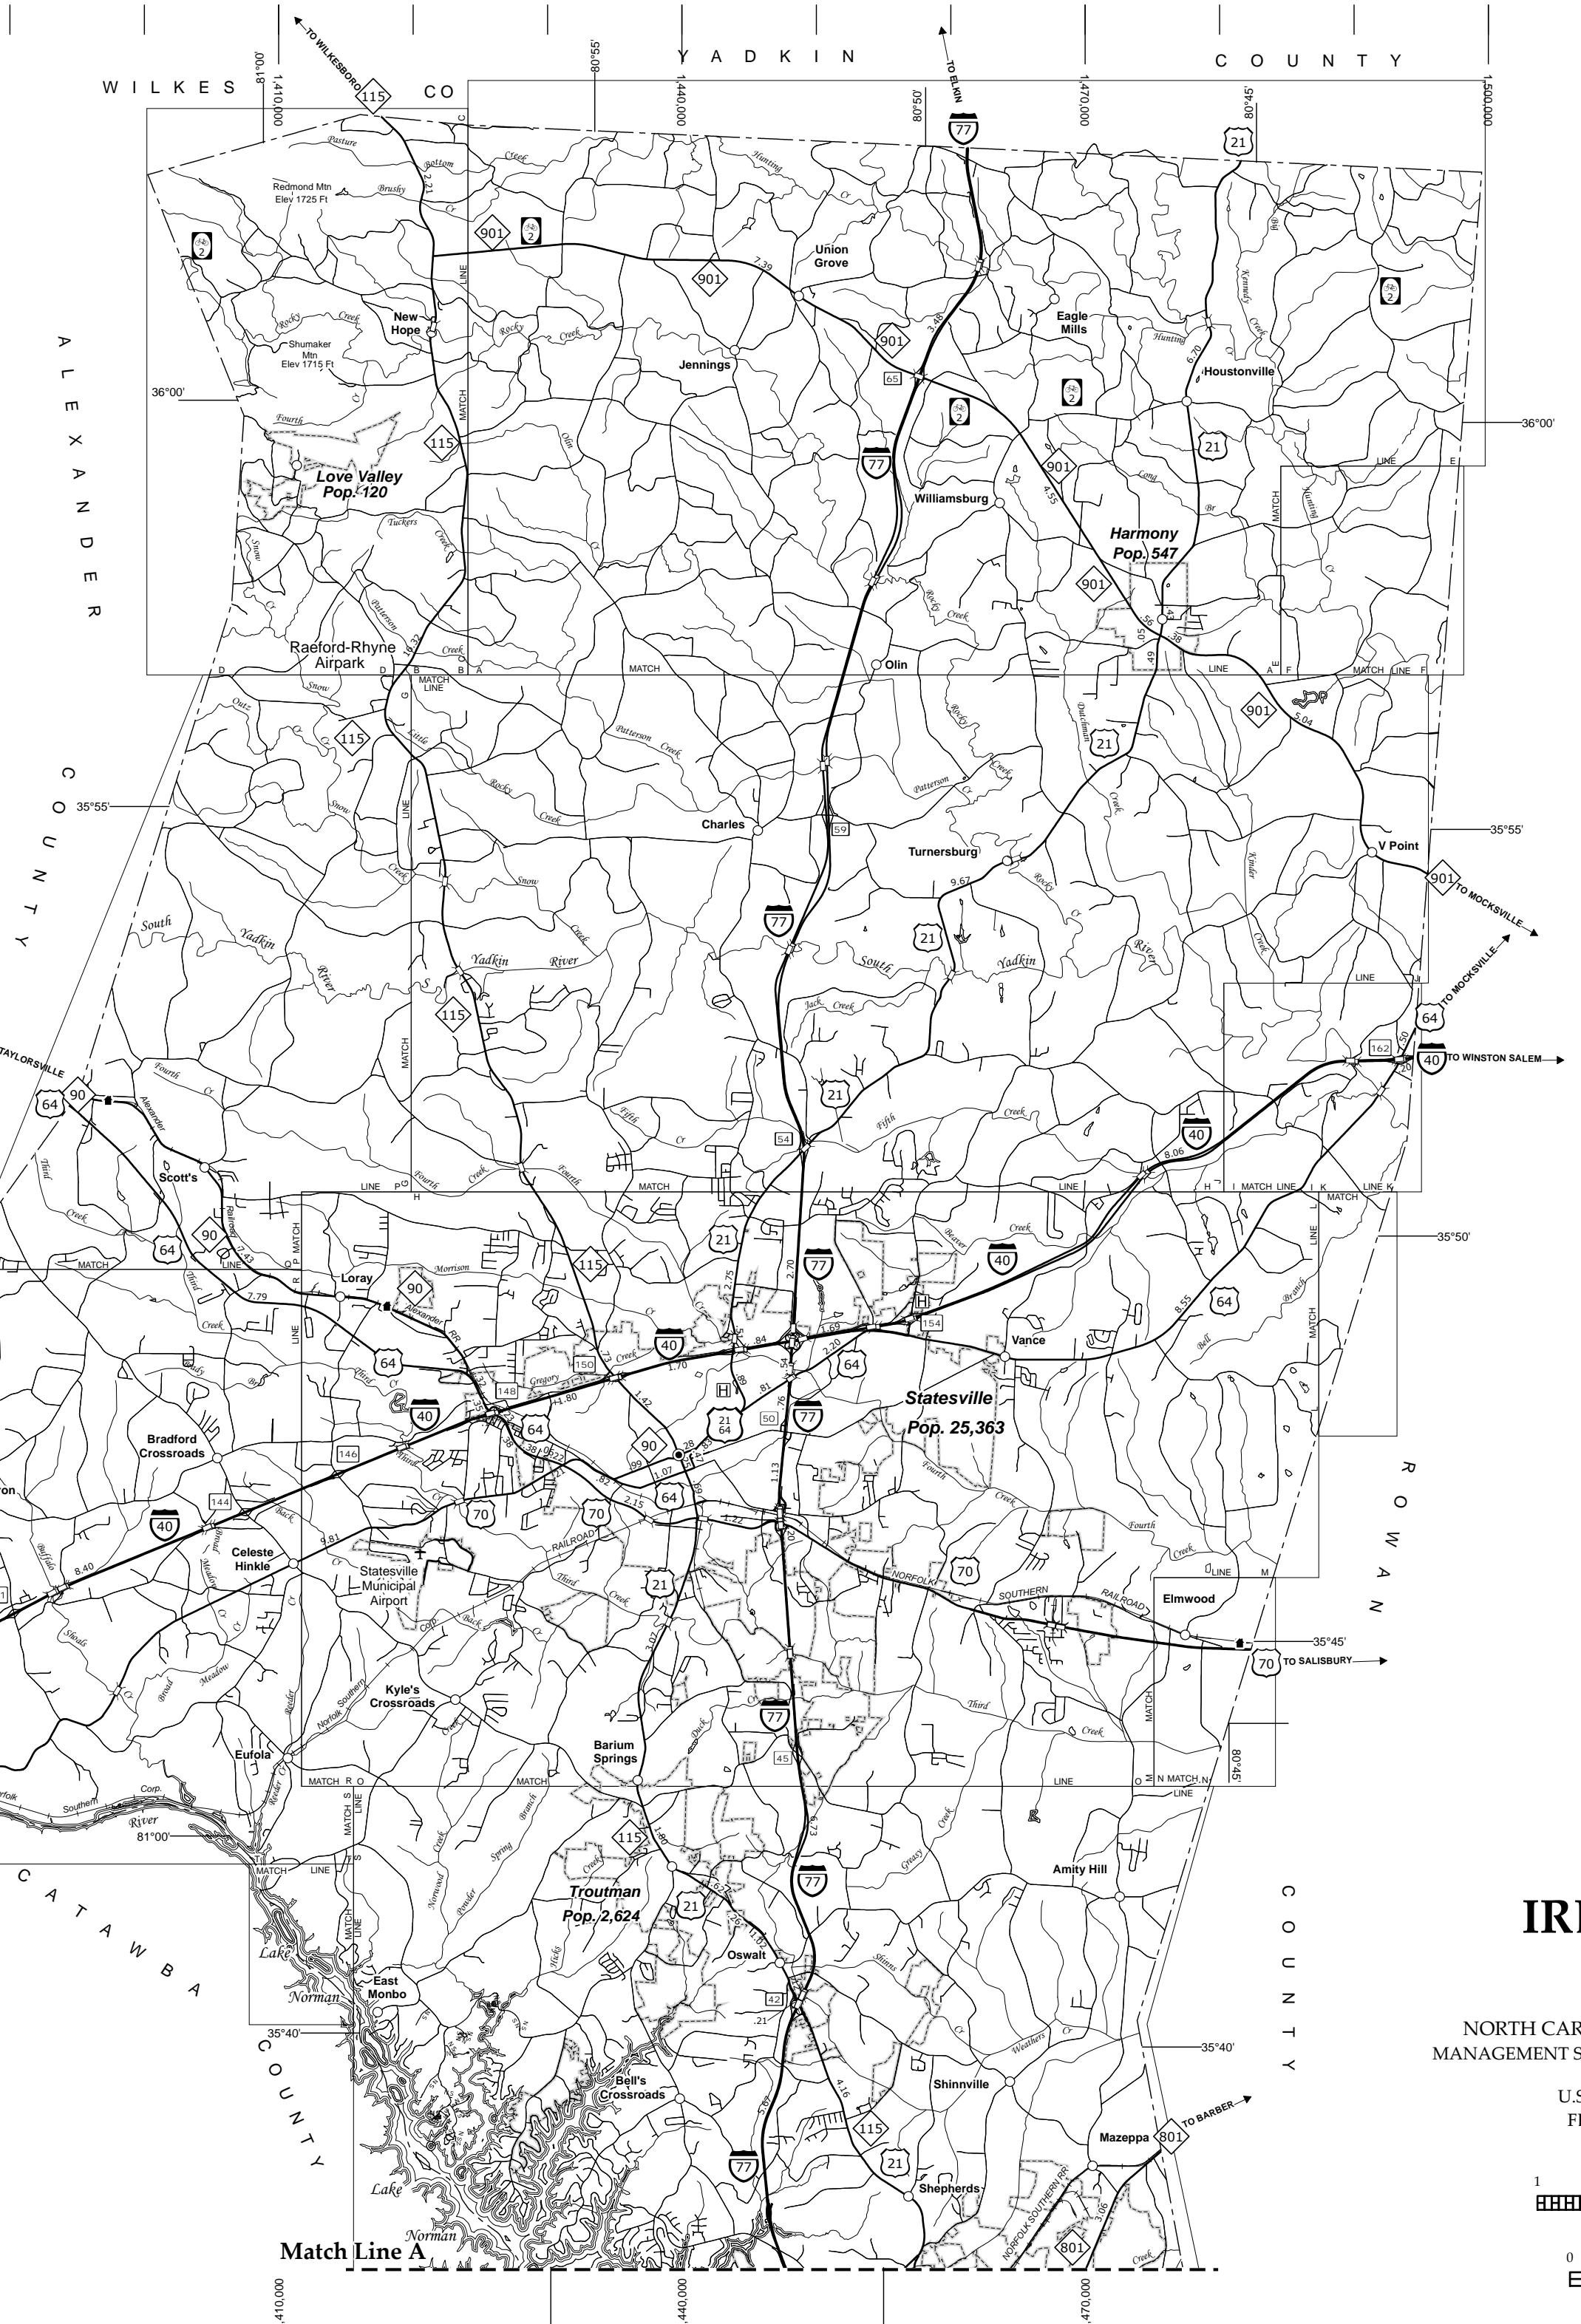

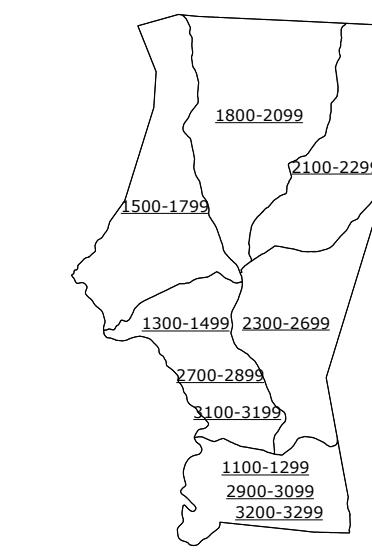

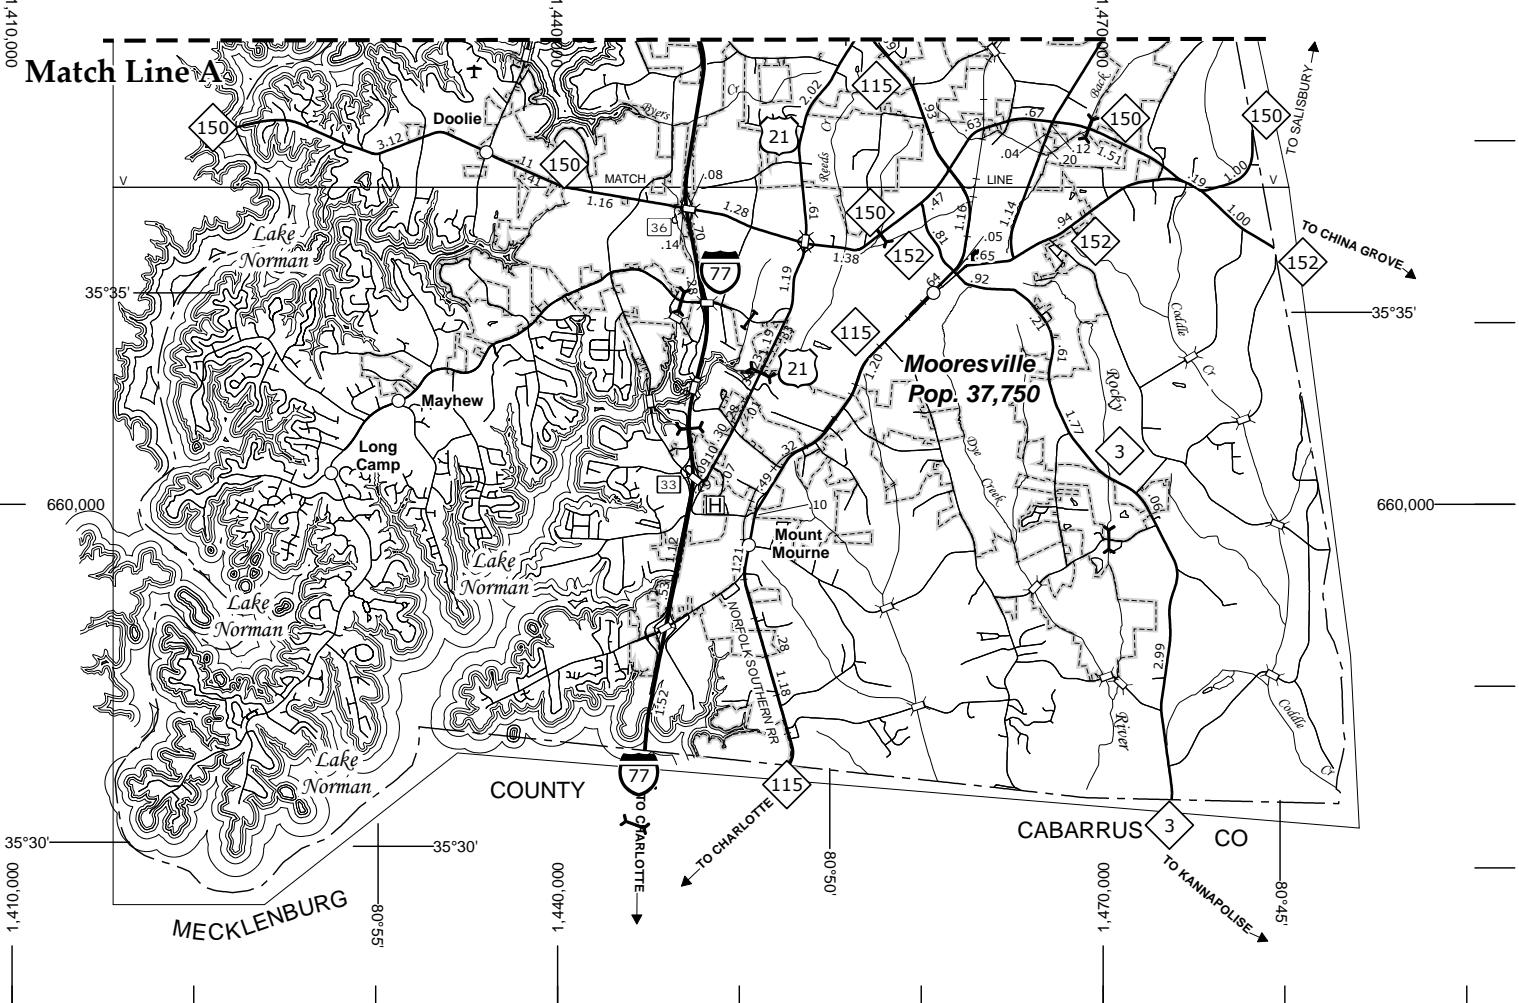

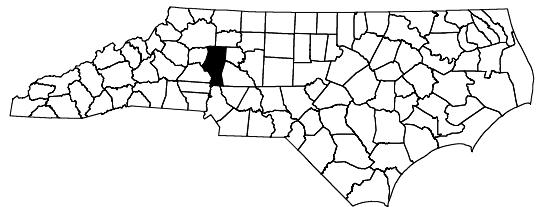

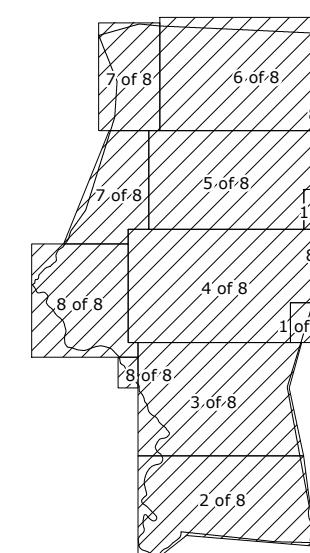

The information shown on the map was last updated on September 2017. For additional information, visit <http://www.ncdot.gov/transportation/mapping/> and click on Data Providers or contact us by phone at (919) 832-8480.
