The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates of publication and map accuracy standards. As a result, the accuracy of important non-system roads, and map features such as man-made roads and other information, is not guaranteed. The information shown on this map was last updated in October, 2017. For additional information, visit <http://www.ncdot.gov/roads/assessment/> and click on Data Providers or contact us by phone at (919) 835-8480.
