

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying degrees of accuracy. It may not be possible to show all features and the accuracy of the information shown is not guaranteed. The map is for informational purposes only and should not be used for any important non-system mode. The map was last updated in September 2017. For additional information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Providers or contact us by phone at (919) 835-4480.
