

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates and map accuracy standards. As a result, the accuracy of the data provided on this map includes state-maintained roads and important non-system roads. The information shown on this map was last updated in June, 2018. For additional information, visit <http://www.ncdot.gov/azcc/azccinfo.htm> and click on Data Providers or contact us by phone at (919) 835-8480.
