The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates and map accuracy standards. As a result, the accuracy of the map is not guaranteed and should not be relied upon for navigation. The map includes state-maintained roads and important non-system roads. The information shown on this map was last updated in June, 2018. For additional information, visit www.ncdot.gov/transportation and click on Data Providers or contact us by phone at (919) 835-8480.
