

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources including aerial photography, ground surveys, and other data. While every effort is made to ensure the accuracy and completeness of the data provided, there may be some discrepancies between the map and actual conditions. The information shown on this map was last updated in September 2013. For additional information, visit <http://www.ncdot.gov/infrastructure/mapping> and click on Data Providers or contact us by phone at (919) 895-9490.
