The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates of publication and accuracy. This map includes state maintained roads and important non-system roads. The information shown on this map was last updated in September 2019. For additional information visit [The map displays a complex network of roads, including state and local routes, and a dense pattern of land parcels. Major water bodies like Lake Wheeler and Lake Benson are shown. Several schools are marked with their names and addresses. The map is overlaid with a 100-foot grid, and a north arrow is located in the bottom right corner. A scale bar at the bottom right indicates distances in miles.](http://www.ncdot.org/transportation/and click on Data Providers to contact by phone at (919) 855-8400.</p>
