

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates of publication and map accuracy standards. As a result, the accuracy of important non-system roads, such as data provided by the N.C. Department of Transportation, is not guaranteed. The information shown on this map was last updated in June 2002. For additional information, visit <http://www.ncdot.org/205/estuariesinfo>, and click on Data Providers or contact us at phone at (919) 835-8480.
