

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources including data of publication and map accuracy standards as well as the accuracy of the data provided by the local government. The map includes information that is not the accuracy of the data provided by the local government. The information shown on this map was last updated in June 2021. For additional information, visit <http://www.ncdot.gov/transportation> and click on Data Providers or contact us by phone at (919) 855-4480.
