

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources and is subject to change. The mapping standards used in this map are the accuracy of the data provided and the accuracy of the map. The map includes the following information:

- Important non-system roads.
- The information shown on this map was last updated in June 2021. For additional information, visit <http://www.ncdot.gov/trafficandtransportation> and click on Data Providers or contact us by phone at (919) 855-4480.
