

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates of publication and map accuracy standards. As a result, the accuracy, currency and completeness of the data provided will vary. This map includes state-maintained roads and important non-system roads. The information shown on this map was last updated in June 2021. For additional information, visit <http://www.vt.gov/transportation/transportation-data/transportation-data.aspx> or call 1-800-649-0220.
