

The MSAL's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources including aerial photography, ground surveys, and other data. As a result, there may be some minor discrepancies between the map and actual conditions. The data is updated on a regular basis. For additional information, visit <http://www.ncdot.gov/infrastructure/mapping/> and click on Data Providers or contact us at (919) 855-8480.
