

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates and map accuracy standards. As a result, the accuracy of the information shown on this map may not reflect the actual condition of the roads. This map includes state maintained roads and important non-system roads. The information shown on this map was last updated in March 2022. For additional information, visit <http://www.ncdot.gov/operations/mapping> and click on Data Providers or contact us by phone at (919) 835-8480.
