

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources and is subject to change. The mapping of municipal boundaries is a complex task and the accuracy of the information is not guaranteed. The mapping of non-system roads is based on aerial photography and is not guaranteed. For additional information, visit <http://www.ncdot.gov/infocenter/mapping> and click on Data Providers or contact us by phone at (919) 835-8480.
