

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates of publication and map accuracy standards. As a result, the accuracy of important non-system roads, such as state and local roads, may vary. This map includes state maintained roads and important non-system roads. The information shown on this map was last updated in March 2022. For additional information, visit <http://www.ncdot.gov/addressesatlas.aspx> and click on Data Providers or contact us by phone at (919) 855-8480.
