

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources and is subject to change. The mapping of municipal and suburban areas is based on the accuracy of the information provided by the local government. The mapping of the 10,000 foot grid is based on the accuracy of the information provided by the U.S. Department of Transportation. For additional information, visit <http://www.ncdot.gov/infrastructure/mapping> and click on Data Providers or contact us by phone at (919) 855-8480.
