JOIN US in a journey across our incredible state and learn what travelers discover every day. *There is no other place offers the natural beauty and unique experiences of North Carolina.*

Come to our mountains, where we will reveal to you a botanical paradise. You will see 43 mountain peaks that reach 6,000 feet, including Mount Mitchell, the highest peak in the eastern United States. You will find breathtaking valleys and the powerful rivers that rush through them. Hike or bike the miles of trails and discover cascading falls in the many state and national parks that nestle among them. Plan a winter vacation and visit one of our seven resorts offering skiing, snowboarding or tubing.

Next, explore our foothills and piedmont. Here you will find the "Furniture Capital of the World" and the country's largest walk-through natural habitat zoo, along with vibrant cities rich in culture and welcoming small towns. We will take you to countless museums, planetariums and festivals. You will see where Revolutionary War and Civil War history was created,

and we will transport you to an 18th-century Moravian village—the winemaking process firsthand. From chardonnay to cabernet to the native scuppernon, you can easily find time to walk a nearby vineyard or explore a winery.
