

The MSA's goal is to provide the most accurate and current information possible. Map data is compiled from a variety of sources, including aerial photography, ground surveys, and other data. Accuracy, currency and completeness of the data provided will vary. Map includes state maintenance roads and important non-system roads. MSA's mapping section was last updated on September, 2015. For additional information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Providers or contact us at (919) 835-8440.
