The MS&A's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates of publication and map accuracy standards. As a result, the information shown on this map may vary from actual conditions. Map information is not intended to be used for navigation purposes. The information shown on this map was last updated on August, 2017. For additional information, visit <http://www.ncdot.gov> and click on Data Providers or contact us at (919) 859-9486.

Accuracy of AADT data is dependent on the quality of the data provided. The data is based on a survey of traffic counts on major roads and important non-system roads. The data is not intended to be used for engineering or design purposes. For more information, please contact the Traffic Survey Group at (813) 835-3488.
