

LIST OF PREPARERS

This document was prepared by the FHWA and NCDOT, with assistance from a team of consulting engineers, scientists, and planners led by HNTB Corporation. This team includes the individuals listed in table below.

Name	Study Team Title	Education and Experience	Role in Draft EIS Preparation
Federal Highway Administration			
Mitch Batuzich	Transportation Planning and Environment Specialist	M.A., Industrial Relations B.A., Political Science 11 years of experience	Project management; document review
Federal Highway Administration – Eastern Federal Lands			
Lisa Landers	Environmental Protection Specialist	B.S., Biology 13 years of experience	Document review
Jack Van Dop	Senior Program Manager	Master of Public Administration B.S., Landscape Architecture 39 years of experience	Document review
Yanina Kirtley			Document review
National Park Service – Blue Ridge Parkway			
Mark H. Woods	Blue Ridge Parkway Superintendent		Document review
R. Steven Kidd, RPA	Cultural Resource Specialist/Archaeologist	M.S., Anthropology B.S., Anthropology 17 years of experience	Archaeology surveys and analysis; document preparation
Suzette Molling	Environmental Protection Specialist	B.S., Business Administration 25 years of experience	Document preparation; impact analysis
Larry Hultquist, PMP	Landscape Architect	Master of Public Administration B.S., Landscape Architecture 32 years of experience	Document review
North Carolina Department of Transportation			
John Williams, PE	Project Development Engineer	B.S., Civil Engineering 23 years of experience	Project management; document review
Undrea Major, PE	Advanced Transportation Engineer	B.S., Civil Engineer 19 years of experience	Project management; document review
Bobby Dunn	Traffic Noise and Air Quality Engineer	B.S., Mathematics 26 years of experience	Air quality impact analysis

Name	Study Team Title	Education and Experience	Role in Draft EIS Preparation
Kevin Moore, PE	Roadway Project Engineer	B.S., Civil Engineering 21 years of experience	Roadway design review
Terry W. Fox, LG, CPG	GeoEnvironmental Project Manager	B.S., Geology 42 years of experience	Hazardous materials survey and impact analysis; document preparation
Mary Pope Furr	Historic Architecture Section Supervisor	Master of Architectural History B.S., Psychobiology/Neurochemistry 20 years of experience	Historic architecture document review
Herman Huang, PhD	Community Planner	Ph.D., City and Regional Planning M.S., Environmental Science B.S., Chemistry 8 years of experience	Document review
Harrison Marshall	Community Studies Group Leader	Master of Urban & Environmental Planning Bachelor of Landscape Architecture 29 years of experience	Document review
Tris Ford	Community Planner	B.S., Political Science Minor in City and Regional Planning Minor in Geography 14 years of experience	Document review
Matt Wilkerson, CPM	Archaeology Group Leader	B.A., Anthropology 26 years of experience	Archaeology surveys and analysis; document preparation
Carla Dagnino	Environmental Coordination & Permitting Western Regional Manager		Document review
William A. Barrett	Environmental Senior Specialist	B.S., Marine Science 22 years of experience	Natural resource document review
Mike Sanderson	Environmental Senior Specialist		Document review
Steven D. Kendall, PE	Project Design Engineer	Associate of Applied Science, Civil Engineering 25 years of experience	Document review

Name	Study Team Title	Education and Experience	Role in Draft EIS Preparation
HNTB Corporation			
Kiersten Bass	Planning Services Manager	B.A., Planning and Environmental Studies 23 years of experience	Project management; document review
Jennifer Harris, PE, CPM	Senior Project Manager	B.S., Civil Engineering B.S., Environmental Engineering 18 years of experience	Project management; document preparation; NEPA analysis
Paige Hunter, PE	Engineer	B.S., Civil Engineering 9 years of experience	Document writer; impact analysis; NEPA analysis; noise impact analysis
Eric Seckinger, PE	Senior Engineer	Master of Business Administration B.S., Civil Engineering 17 years of experience	Roadway design; impact analysis
Kat Bukowy, AICP	Transportation Planner	Master of Natural Resources Master of Public Administration B.S., Environmental Science 9 years of experience	Document writer; GIS mapping; resource impact analysis
Adam Archual	Transportation Planner	B.A., Anthropology B.A., Geography 9 years of experience	Document writer; historic resource impact analysis
Craig Scheffler, PE, PTOE	Senior Transportation Engineer	M.S., Civil Engineering B.S., Civil Engineering 19 years of experience	Traffic analysis
Harold "Trey" Jordan, EI (SC)	Engineer	M.S., Transportation Systems Engineering B.S., Civil Engineering 3 years of experience	Noise impact analysis; document preparation
Tracy Roberts, AICP	Senior Transportation Planner	Master of Public Administration B.S., Urban & Regional Planning 14 years of experience	Noise impact analysis
James Byrd, PE	Hydraulics Group Manager	B.S., Civil Engineering 30 years of experience	Hydraulic surveys and analysis; document preparation

Name	Study Team Title	Education and Experience	Role in Draft EIS Preparation
MdM Historical Consultants, Inc.			
Jennifer F. Martin	Historic Architecture Project Manager and Principal Investigator	M.A., History B.A., History B.A., Sociology 24 years of experience	Historic architectural surveys and analysis; document preparation
Cynthia de Miranda	Senior Architectural Historian	B.A., Public Policy Studies 22 years of experience	Historic architectural surveys and analysis; document preparation
Carolina Ecosystems, Inc.			
Phil May	Senior Project Manager	B.S., Biology 20 years of experience	Wetland and stream delineation, GPS data collection, document review
Brian Smith, PWS	Senior Scientist	M.S., Soil Science B.S., Biology 17 years of experience	Wetland and stream delineation, GPS data collection, document review
