# Monroe Connector/Bypass Mecklenburg and Union Counties

State Transportation Improvement Program (STIP) Projects R-3329 & R-2559

## Updated Public Hearings Schedule

**Please note that the previous announcement for the Monroe Connector/Bypass Public Hearings included incorrect information for two of the hearings. The corrected information is shown to the left.** The North Carolina Department of Transportation (NCDOT) will be holding one Open House and two combined Open House / Public Hearings to provide updates on the Monroe Connector/Bypass project and receive comments on the Draft Supplemental Final Environmental Impact Statement that has recently been completed. Project documentation and mapping will be displayed at the Public Hearing, and they are also available online at <http://www.ncdot.gov/projects/monroeconnector/>.

For more information on this project, contact Mr. Jamille Robbins, NCDOT Human Environment Section, at 919-707-6085 or [jarobbins@ncdot.gov](mailto:jarobbins@ncdot.gov), or contact Ms. Jennifer Harris, PE, NCDOT Project Development & Environmental Analysis Unit, at 919-707-6025 or [jhharris1@ncdot.gov](mailto:jhharris1@ncdot.gov).

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who want to participate in this hearing. Anyone requiring special services should contact Mr. Jamille Robbins at 919-707-6085 as early as possible so that arrangements can be made. Persons who speak Spanish and do not speak English, or have a limited ability to read, speak or understand English, may receive interpretive services upon request prior to the meeting by calling 1-800-481-6494.

**Monroe Connector/Bypass**

North Carolina Department of Transportation
