

NCDOT Division 5 – Combined Resource Agency Meeting

April 17, 2019 - 1500-1645

STIP Projects: U-5747, R-2814D, U-5936/I-5966, U-6021

Purpose and Goals of Meeting

- One meeting to present multiple projects anticipated to result in minimal resource impacts:
 - Provide resource agencies with project updates and gauge anticipated future involvement
 - Intent is to provide scoping-level information, streamline coordination, and save time for all parties involved
- Provide open forum for NCDOT to receive input and feedback on projects from resource agencies:
 - Q&A throughout meeting
 - Saves time spent on email/phone/written coordination
 - Avoids potential project delays
- Based on presentation and discussions:
 - Ability to better identify and screen out future projects from the Merger Process
 - Identify those projects of agency interest which may require individual meetings with regulatory agencies
