SUBJECT: WQC No. 3704 request for T.I.P. No. B-4205, Montgomery County.

REFERENCE: NW 23 permit application, dated October 1, 2007

Dear Mr. Wrenn:

An October 1, 2007 permit application was made by the NCDOT for Section 404 Nationwide permit 23. Since all general conditions are being adhered to, no written concurrence from the DWQ was requested. However, the USACE issued a NW 14, necessitating written concurrence for a Section 401 WQC No. 3704.

Please process NCDOT's permit application for this project for a WQC No. 3704 from the DWQ (debit \$240.00 for a Minor Water Quality Certification from WBS Element #33552.1.1). All actions proposed in the October application as well as the October 19th email are still valid. Enclosed are 5 copies of this letter.

This project has a let date of April 15, 2008, with a review date of February 27, 2007.
