ATTN: Mr. Eric Alsmeyer
NCDOT Coordinator

Subject: Request for Permit Renewal of Section 404 and Section 401 Water Quality Certification for the Proposed I-485 and East John Street - Old Monroe Road (SR 1009) Interchange Improvements in Mecklenburg County, Division 10, STIP No. U-4714AB, Debit \$570.00 from WBS 43609.3.2.

References: 1) Section 404 Regional General Permit No. 198200031, Action ID No. SAW-2019-01774, issued October 7, 2019; 2) Section 401 Water Quality Certification No. WQC 4135, NCDWR Project No. 20191245, issued November 15, 2019

Dear Sir:

The purpose of this letter is to request renewal of the existing Regional General Permit SAW-198200031 (RGP 31) under Regional General Permit SAW-2019-02350 (RGP 50) and North Carolina Division of Water Resources (NCDWR) Section 401 Water Quality Certification (WQC).

The North Carolina Department of Transportation was issued a Clean Water Act Section 404 Regional General Permit 198200031 (RGP 31) from the USACE on October 7, 2019 for the above-referenced project. The project is still under construction and is not expected to be completed prior to April 30, 2021. Therefore, NCDOT requests renewal of the permit under Regional General Permit SAW-2019-02350 (RGP 50).

NCDOT was also issued a Section 401 Water Quality Certification No. 4135 from NCDWR on November 15, 2019. Therefore, a renewal of the NCDWR Section 401 WQC will also be needed.

No changes have occurred to the design or special commitments for this project.

NCDOT requests to renew the permit for this project. Application is hereby made for renewal of the USACE 404 permit and the 401 WQC from NCDWR. We have provided a method of debiting \$570.00 to be submitted to the NCDWR for processing the WQC renewal for U-4714AB, as noted in the subject line of this application.
