NCDOT Coordinator

Dear Sir:

Subject: **Permit Modification for extension of Nationwide Permit 23 & 33** for the replacement of Bridge No. 91 over the Parrot Swamp on SR 1509, Onslow County. Federal Project MA-BRZ-1509(4), State Project No. 82260901, WBS Element 33013.1.1, T.I.P. No. B-3358, Division 3, Action ID 200100443.

The North Carolina Department of Transportation (NCDOT) is currently constructing a new bridge over Parrot Swamp on SR 1509 in Onslow County. The project involves replacing the current bridge on the existing location with a bridge that will be 60 feet long and 23 feet wide. Traffic is being maintained on a temporary detour located west of Bridge No. 91 during construction.

On June 12, 2003 a Section 404 permit, Action ID 200100443 was issued. This permit is set to expire on June 12, 2005. NCDOT hereby requests a time extension for the authorized activity to June 12, 2006. This extra time will enable NCDOT to finish the construction of the new bridge and the demolition of the existing bridge within the conditions of the Section 404 and 401 permits.

If you have any questions or need additional information please call Cheryl Knepp at (919) 715-1489.

Sincerely,

Gregory J. Thorpe, Ph.D.  
Environmental Management Director, PDEA
