Subject: Automatic reply: 2023 NCDOT Comprehensive Pre-Filing Notification/Meeting Request

This email confirms receipt of your pre-filing meeting request. Please retain this email for your records and submit this documentation as part of your 401 application (PCN Application) as required by federal law. DWR will not be able to accept your application without this federally required documentation. 401 applications received without documentation that a pre-filing meeting request was submitted at least 30 days prior will be returned as incomplete.

Responses to this email are not monitored.

If you need to contact 401/Buffer Permitting Staff, please use the following link(s) to access of staff contact list(s).

ATTN: Ms. Amy Chapman, Transportation Permitting Branch Supervisor

Subject: **Request for Pre-filing Meeting, pursuant to Clean Water Act Certification Rule**

Reference: April 29, 2022, Mass Pre-Filing Notification

Dear Madam,

In accordance with 40 CFR Part 121 of the Clean Water Act Section 401 Certification Rule, the following documentation is submitted by NCDOT [the project proponent] to serve as a pre-filing notification with the certifying agency, at least 30 days prior to the submission of the 401 Certification Request.

This request and list updates the afore-referenced Pre-filing Notification. It is anticipated the NCDOT may request a 401 Certification for the projects found on the attached list.

NCDOT does not request a meeting for the projects identified. We believe this satisfies the Rule Modification pursuant to 40 CFR Part 121. Please advise if you have any questions or require additional information.

Sincerely,

A handwritten signature in black ink that reads "Michael Turchy".
