

The technical reports and other supplemental materials listed below are included in the compact disc accompanying this Final Environmental Impact Statement.

**Purpose and Need**

- 1 Logical Termini and Independent Utility .....July 2014
- 2 Purpose and Need and Alternatives Considered for I-26 Improvements, Merger Concurrence Points 1 and 2 [Revised per Merger Team Comments]..... June 2013

**Traffic**

- 3 Traffic Forecast Comparison for STIP Projects I-4400/I-4700 and I-2513 Memorandum.....July 2016
- 4 Purpose and Need Traffic Analysis Technical Memorandum Addendum ..... October 2014
- 5 Purpose and Need Traffic Analysis Technical Memorandum.....September 2013

**Hydraulics**

- 6 Bridging Decisions and Alignment Review [Merger CP2A]..... February 2015
- 7 Addendum to Hydraulic Technical Memorandum ..... November 2014
- 8 Hydraulic Technical Memorandum .....May 2014

**Community Features**

- 9 Bent Creek – Lake Julian Greenway Feasibility Study.....July 2015
- 10 Community Impact Assessment ..... April 2015
- 11 Community Characteristics Report ..... November 2013

**Cultural Resources**

- 12 Historic Architectural Resources Survey Report [US 25/I-26 Interchange] ..... March 2016
- 13 Historic Architectural Effects Report.....May 2015
- 14 Historic Architectural Resources Survey Report ..... November 2014

**Natural Resources**

- 15 Biological Assessment..... August 2018

16 Freshwater Mussel Surveys: I-26 Widening Final Report..... January 2018

17 NRTR Addendum 4..... June 2017

18 NRTR Addendum 3..... April 2016

19 NRTR Addendum – US 25/I-26 Interchange..... December 2015

20 NRTR Addendum – BRP Addendum..... July 2015

21 Natural Resources Technical Report (NRTR)..... August 2014

22 Freshwater Mussel Survey Report ..... October 2013

23 Gray Bat Habitat Survey Report ..... May 2013

**Noise**

24 Traffic Noise Report ..... July 2017

25 Traffic Noise Analysis Comparison Tables..... February 2016

26 Traffic Noise Analysis Addendum..... February 2016

27 Traffic Noise Analysis ..... March 2015

**Air**

28 Air Quality Analysis ..... December 2014

**Hazardous Materials**

29 Hazardous Materials Technical Memorandum..... February 2014

30 Geotechnical Pre-Scoping Report..... July 2006

**Indirect and Cumulative Effects**

31 Indirect Screening Report – Update Memo ..... November 2017

32 Asheville Regional Cumulative Effects Study ..... June 2014

33 Indirect Screening Report ..... November 2013

**Reevaluation**

34 Reevaluation of Draft Environmental Impact Statement..... October 2018
